D. Cultural differences

Correct Answer: C

Reference: Kim Heldman, CompTIA Project+ Study Guide, 2nd Edition, Sybex, Indianapolis, 2017, p. 265

QUESTION 2

A key team member found a new job and will be leaving in two weeks. Which of the following should the project manager do FIRST to minimize negative impacts to the project?

A. Request a replacement from the project sponsor.

B. Contact human resources to initiate the termination process.

C. Involve the legal department for contract review.

D. Inform executive management about attrition.

Correct Answer: A

QUESTION 3

A project facilitator is working within a large project team that includes 36 members representing different organizational groups. The current communications plan calls for full status updates to be emailed to the whole group twice per week. Which of the following factors should be considered FIRST when communicating with this group?

A. Providing all parties with frequent updates keeps the team on the same page as the project moves forward.

B. The large team may be dispersed over different time zones, preventing the team from receiving the status updates at the same time.

C. The frequency, method, and level of detail provided should be different for each target audience.

D. All team members receive the same level of detail, ensuring the accuracy of the status updates

Correct Answer: D

QUESTION 4

A project team is comprised of a mix of in-house and virtual team members.

When a complex announcement needs to go out to the entire project team, which of the following is the MOST effective way to communicate it?

A. Composing a project team email with the details of the announcement is the best method. It gives the project manager the opportunity to explain but not be overcome with questions from the team.

B. Using text messaging to make the announcement is the best method. It allows the project manager to reach the project team members wherever they are located.

C. Sending a fax is the best method. It gives the project manager the opportunity to explain the announcement and come up with questions and answers the team may have.

D. Hosting a web conference meeting is the best method. It gives the project manager the opportunity to explain the announcement and answer any questions from the team.

Correct Answer: D

Reference: Kim Heldman, CompTIA Project+ Study Guide, 2nd Edition, Sybex, Indianapolis, 2017, p. 260
